CONFIDENTIAL

Dear Mr Davis,

Withdrawal of FCAI's Objection to MIRRAT Proposed Price Increase – July 2025

I refer to my correspondence dated 16 May 2025 requesting a review of MIRRAT's proposed increases to wharf demurrage fees and to the addition of a note in the draft tariff schedule that would permit MIRRAT to impose wharf demurrage fees on held cargo.

I am writing to advise that the FCAI and AAT (as the terminal operator from 1 May 2025) have discussed the proposed tariff changes and agreed on a course of action applicable to the 2025-26 financial year.

On this basis, I advise that the FCAI withdraws its Objection Notice in accordance with clause 3.1(e) of schedule 5 of the 2025 Undertaking given to the ACCC under section 87B by AAT.

I thank you for your consideration of the matter.

Yours sincerely

Dianne O'Hara
Director Industry Operations
